## Summary

Computer Science undergraduate specializing in Cyber Security, with hands-on experience building and debugging a full-stack MERN application, directing and validating AI-assisted development, and solving real production issues. Comfortable with Node.js, Express, and REST API design. Solved 456+ data structures and algorithms problems on LeetCode.

## Projects

**DeadlineAI | GitHub · Live Demo** React, Node.js, Express, MongoDB, Google Gemini API

- Built a full-stack task and deadline management app with a Node.js/Express backend and MongoDB database, integrating the Google Gemini API to let users create tasks through natural-language chat.
- Designed an OCR-to-task creation pipeline and fixed date-format validation bugs that were causing valid tasks to be silently rejected.
- Tested the application extensively, identified and resolved real production issues including database connectivity failures and API reliability problems, then deployed it using Vercel and Render.

**Sorting Algorithm Visualizer | GitHub** HTML5, CSS3, JavaScript, Chart.js

- Built an interactive web application to visualize Bubble, Merge, and Quick Sort with step-by-step animations, adjustable input size, and real-time speed control.
- Implemented live time-complexity comparison graphs using Chart.js, allowing users to visually compare algorithm performance across varying input sizes.

## Data Structures & Algorithms

- Solved 456+ problems on LeetCode spanning Arrays, Trees, Graphs, Dynamic Programming, Binary Search, Sliding Window, Two Pointers, and Hashing.
- LeetCode Contest Rating: **1629** (Top 20.25% globally).

## Technical Skills

**Languages:** C, C++, Java, JavaScript

**Backend & APIs:** Node.js, Express.js, REST API Design

**Version Control & Deployment:** Git, GitHub, Vercel, Render

**CS Fundamentals:** Data Structures & Algorithms, Object-Oriented Programming, DBMS, Operating Systems

## Leadership & Extracurricular

- Selected as **Campus Ambassador, IIT Bombay** – received official offer letter.
- Selected as **Campus Ambassador, Internshala** – received official offer letter.
- Contributed to **GirlScript Summer of Code (GSSoC)** – earned official participation badge.
- Participated in **Smart India Hackathon (SIH)**.

## Education

**GL Bajaj Institute of Technology and Management** Greater Noida, Uttar Pradesh
*B.Tech (Hons.) in CSE, Specialization in Cyber Security – CGPA: 8.69/10* *Aug 2024 – Expected May 2028*

- Affiliated to Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow

**Senior Secondary (XII), CBSE – 95.66%** 2024
**Secondary (X), CBSE – 89%** 2022

## Certifications

- **AWS Academy Cloud Foundations – Trained**, Amazon Web Services (Dec 2025)
- **Oracle Cloud Infrastructure Foundations Associate**, Oracle (2025)
- **Software Engineering Virtual Experience**, JPMorgan Chase & Co. via Forage (2025)
- **Solutions Architecture Virtual Experience**, Amazon Web Services via Forage (2025)
